

## **MISSION & VISION STATEMENT**

Building on 100+ years of leadership in water and wastewater treatment, H+E's mission is to provide proven and reliable solutions to meet the needs of our customers, worldwide.

An Aquarion Group company, H+E is your partner for the design and supply of water and wastewater treatment plants. We bring our vast experience and knowledge of best practices to each project and offer solutions built on extensive in-house R&D as well as innovative, leading-edge technologies engineered by other Group companies. We are committed to continuous improvement to ensure that we deliver the very best available quality solution to each client.
